<b>Alternate/Additional Contact (if needed)</b>			

### TOOLS REQUESTED INFORMATION: (Tuition, books or lab fees are not included in this grant)

What degree are students working towards?	
Please list the tools students need for this degree:	
Where would you purchase these types of tools?	
What is your annual success rate in your program?	
What is the approximate number of American Indian students who will be applicable for the “Tools for the Trade” grant?	
Please describe your “Tools for the Trade” implementation plan addressing the following: 1. Student selection and application for tools 2. How will the grant be administered (i.e. separate line item or through a supply store) 3. How would you retrieve usable items from individual students if they leave the program?	Attach to application not to exceed 2 pages double-spaced

### AIEF NEEDS:
